Artist: Sinista feat/ Flippa Jay

Album: Dilligaff Streets

Label: Underground

Song: Step Back

Chorus: {2x's} Step back don't stand to close,..all about them hoes when you throw it on the flo,..any playa hating and a chair getting thrown, from the city to the country we throwing them bows.

Sinista: Step back don't stand to close, I'll swing on a nigga, I'll swing on a hoe, act dumb if you want yo crew to get blown, act dumb if you want bitch boy you know, hoe one mo time we gone do yo ass,..we'll shank a nigga down where I'm at,..don't move back and you'll see what happen, we known for acting, keep the rap for practice, who the fuck is you,..here's what we do,..to an outer towner who breaks the rule, burn one or two,..and if yo money's right in the late night go and fuck the fool, I'm Jossie Vonnice, do you really want it then holla right back,..got a bad ass crew, TRILL CITY'll do,..jumping jacks up on this track, matter of fact, we crept up, ran in ran out,..beat the clown up out his house, we the south, that dirty bound, that DOC,..that's where you found, we GSP,..that's money now,we TC,..that's a hundred clowns,popping hollow rounds, drop Apollo grounds, watch'em talk loud, but watch'em bow down.

Chorus: {2x's} Step back don't stand to close,..all about them hoes when you throw it on the flo,..any playa hating and a chair getting thrown, from the city to the country we throwing them bows.

Flippa J: You know what I can't stand,..some fuck ass nigga that trying be her man, carry niggas by stands, tuck and duck with the grand, niggas can talk tough but niggas can't hold my hand,..cuz I ain't with that fuck shit duck quick, when we bust hollow tipping rounds that'll flip you man,..yeah this flippa man,..talking real loud to my other folks get you man,..down for the

slanging and busting niggas see god out of corruption
and run through our neighborhood,..when most of my
niggas down and dirty we trying to get paper we don't
give a fuck if what we doing good,..if you don't like me,
come to my face and try to fight me, get me excited,
striking like lighting, these niggas fightting,..for that
last breathe, won't come close good night then. How
the fuck we getting away, most of ya'll niggas is stray,
and taking fade away sleeping,..They can try but they
can't fuck with this, Flippa Jay and I'm on that TC
shit,..HDC bitch,..better watch what you say,..or fuck
with City Boy, Trill, or Flippa Jay, or any nigga that rep
the E-A-S-T,..for show, bitch.

Chorus: {4x's} Step back don't stand to close,..all
about them hoes when you throw it on the flo,..any
playa hating and a chair getting thrown, from the city
to the country we throwing them bows.
