Verse 1

Now I can see that your fake
Cuz I know now how long u wait
To see me falling again
Am just letting u know that things are gonna change
My pleasures will be my pain
And yes I know the sacrifice that I'll make

Chorus

My surroundings fade
Cuz I can't separate
Your lies from my space
But I guess it's just humane

Verse 2

In my past
Everyday was another chance
Another gift in advance
To stop my ignorance
But u couldn't understand
All u did was pretend

Chorus

My surroundings fade
Cuz I can't separate
Your lies from my space
But I guess it's just humane

Bridge

My surroundings fade
(Can u feel me)
Cuz I can't separate
(Can u hear me)
Your lies from my space
(Do u care for me)
But I guess it's just humane

(But I guess it's just humane)

Outro

Now my surroundings won't fade
Cuz I can separate
Your lies from my space
And I guess I won't be humane
I won't be humane.
