V1

I think am starting to realize,
I think it's time for you to be apprised,
All I wanted was to be alone,

Bridge

But you know,
Yeah you know, yeah you know, yeah you know (3X)

CHORUS

You said you wanted more, more from me,
You said you'll never let, let me be,
Now give me back what's mine,
I'll never be alright,
Yeah you know, yeah you know, yeah you know (3X)

V2

Now I know you never had enough,
I never thought I could reach the top,
I think it's time for you to go,

Bridge

And now you know,
Yeah you know, yeah you know, yeah you know (3X)

CHORUS

You said you wanted more, more from me,
You said you'll never let, let me be,
Now give me back what's mine,
I'll never be, I'll never be Alright (extended scream)

Outro

Do you know, Do u feel it,
As it races down your blood,

Does it hurt, Do you feel it,
As you stare at those you loved,

Do u know, do u see it,
As it pains you deep inside,

Do you know, can u feel it.

(Guitar Solo)
