

## A Shrine "Wastebasket"

Visit "[Wastebasket](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Once to a friction, be often the wastebasket  
A little while, according to the picture  
But now this place's dead, I can't say that I'm sad, oh  
no  
Guess I found a new way, to stay head over heels, all  
the time  
Don't ask you to [...]  
As a drug can be  
Without lying  
Without lying  
Every [...] so far, since I threw you away  
[...] it's my old phone, don't want your help  
'Cause new things never lie, and you lied to me, yeah  
you did  
Fucking up myself, I know I always will  
Don't ask you to [...]  
As a drug can be  
Without lying  
Without lying  
Don't ask you to [...]  
As a drug can be  
Without lying  
Without lying  
Don't ask you to [...]  
As a drug can be  
Without lying  
Without lying
