Check the resumÃ© - fine
we wanna do you favors
we're so divine
that you can trust all your neighbors
a riddle: if I go away
who will you trust with your good days?
Check the resident wine
he wants to do you me favors
ennui so divine
that you mistrust all your neighbors
a slinky red auction call
that kicks up dust when the skirts fall
don't go so high you climb
clear over the wall

bubble when you bubble
this is a trouble-log to travel on
in your pacific plastic bottle
you can sail three sheets to gone
and into my arms

I'm resolute
finally want to do you favors
lips do divine
that you can hush all your neighbors
a riddle: if go away
who can you trust on a first date?
don't get so lost
you can't place your bio

bubble when you bubble
this is a trouble-log to travel on
in your pacific plastic bottle
you can sail three sheets to gone
and into my arms

sunburned
fingers brown
you think it's done
but then it's over
sunburned
fingers brown

you think it's done
but then it's over
sober
and sitting down
you think to stand
and then it's over

bubble when you bubble
this is a trouble-log to travel on
in your pacific plastic bottle

you've got a major-ass problem with your
savage servant
what to do? won't you do me right
when we make love
we like to get the fire bright
a savvy suck
and won't you do won't you do me right
when we make love
we like to get the fire bright
