Say what?
You move really fast
I saw you screaming from at top floor
Big window crash
I'm deaf
So what'd you have to do that for?
Him?
On giving it up
You chew a little foil
You can't return
To us
To us
To us
You chew a little foil
You can't return
To what
To what
To what
To what
Do... giving it up
And chewing on foil
Have in common?
Bags are packed
And out the bag
Out

Hold back the road that goes
So that the others may too
That you let me in
Just to pour me down
Their mouth
