'm lookin' for a road
Might be dirty, might be gravel
I'm lookin' for a road
Only I'm suppose to travel
Might be right around a corner
Might be a thousand miles to go
But I'm gonna keep on lookin' for that road

And God knows it won't be long
With every step I'm getting closer
To the place where I belong

I'm lookin for a road
Might be dirty, might be gravel
I'm lookin' for a road
Only I'm suppose to travel
Might be right around a corner
Might be a thousand miles to go
But I'm gonna keep on lookin' for that road

So I'm gonna keep on lookin' for that road

Yeah, Yeah
I'm lookin' for that road
Yeah
I'm lookin for that ro
