You know our love was meant to be
The kind of love that lasts forever
And I want you here with me
From tonight until the end of time

You should know, everywhere I go
You're always on my mind, in my heart
In my soul
baby

CHORUS:

You're the meaning in my life
You're the inspiration
You bring feeling to my life
You're the inspiration
Wanna have you near me
I wanna have you hear me sayin'
No one needs you more than I need you

And i know, yes I know that it's plain to see
We're so in love when we're together
now i know that I need you here with me
From tonight until the end of time

You should know, everywhere I go
Always on my mind, in my heart in my soul

CHORUS

Wanna have you near me
I wanna have you hear me sayin'
No one needs you more than I need you

You're the meaning in my life
You're the inspiration
You bring feeling to my life
You're the inspiration

When you love somebody
When you love somebody
When you love somebody

{repeat until fade}
