*He he he han han han just keep on dancing
He he he han han han just keep on moving...
AHHHHHHHHHHH

Driving around in a flashy car
Checking out a brand new bar
Looking hip in vinyl pants
Magic shoes n' crazy wigs

Oh my God
Look what's coming down the catwalk
She's great... Diva
No girls it's just a seven foot freak with a blond wig
Work work work work

**Saturday... Super diva
Saturday... Every man a Queen... Go girls
*Repeat

Welcome to the drag queen party
The place for fantasy... Dive... Diva
Go to the powder room and be a queen for a night

We care about the future
No way you'll kill our nature
Now it's time for us to come out and show our forces
I love you

*Repeat
**Repeat
