Everybody that wanna get down and hear the sound  
and ya bump the beat,  
365 days a year 24 a day 7 days a week,  
Now when you drivin in your four by four and ya turn  
this up on your stero,  
whether night or day we'll stop you playin' and u know u  
still want more so,

Find a hunny thas standing on the wall,  
All the girls and the guys on the floor,  
From the front to the back lets go,  
Hear this  
Woohh!

Somebody hit the lights,  
so we can rock it day and night,  
People gettin down that's right,  
From am to pm,

Everybody lookin like stars,  
All the chicks and the fellas in the bars,  
are you all bumpin this in ya cars,  
From am to pm,

Everybody in the club keep come on bob ya head now  
to this song,  
Ya got the beats and brakes and ya bodys shakin' ya  
doin it all night long,  
Any time or place any place or time no we dont need no  
sleep,  
365 days a year 24 a day 7 days a week so,

Find a hunny thas standin by the wall,  
All the girls and the guys on the floor,  
From the front to the back lets go,  
Hear this  
Woohh!

some body hit the lights  
so we can rock it day and night  
people gettin' down that's right

from am to pm

Everybody lookin like stars,  
All the chicks and the fellas in the bars,  
are you all bumpin this in ya cars,  
From am to pm,

From the front to back come and bob ya head yeah,  
365 days a year 24 a day yeah,  
No we dont need no sleep,  
All night we rock that beat,  
So you know what to do,  
Just make your move and make it move

(x2)

somebody hit the lights  
so we can rock day and night  
people gettin' down that's right  
from am to pm
