Intro: Oh Yeah

Verse1:

I'm your basic average girl, and I'm here to save the world. You can't stop me 'cause I'm Kim Possible. There is nothing I can't do, when danger calls just know that I am on my way, (know that I am on my way). Doesn't matter where or when there's trouble, if you just call my name-Kim Possible.

Chorus:

Call me beep me, if you wanna reach me. When you wanna page me its OK. I just can't wait until I hear my cell phone ring. Doesn't matter if its day or night, everything is gonna be alright. Whenever you need me baby, Call me beep me, if you wanna reach me.

Verse2:

Message clear I am here. Let me reassure you I'm never gonna leave you alone (I'm on my way). You can always count on me. When it gets stuck I'll help you see. I will help you find your way. It doesn't matter where or when there's trouble, if you just call my name?Kim Possible!

Chorus:

Call me beep me, if you wanna reach me. When you wanna page me its OK. I just can't wait until I hear my cell phone ring. Doesn't matter if its day or night, everything is gonna be alright. Whenever you need me baby, Call me beep me, if

you wanna reach me.

Kim Possible.

baby, Call me beep me, if  
you wanna reach me.  
Call me beep me, if you wanna reach me. When you
