Hey boy I know that you don't know me
But if you took a little bit of time to see
How I could be I wanna make you happy
And if there's time let's get together
Baby we could do whatever whatever you pleasure
Today might start forever

[Bridge]
I've seen the merchandise
So far you're what I like
Ooo boy you're so fine
Oh how I wish that you were mine
In a little time you'll see
Satisfaction guaranteed
You are all I need
So come and give your love to me

[Chorus]
Anytime you want just know I'm down
Anytime any place I'll be around
Boy I got what you want I'm what you need
Any time satisfaction guaranteed

[Verse 2]
I know coming on kinda strong and
I feel that we got a chance
I want you to be my man
But if you took a little bit of time to learn
About me you will return
Just try and you'll see

[Bridge]
Boy don't you know you are so fine
I want you to be mine
Just try and see I guarantee
Just give your love to me

[Chorus 2x]

[2nd Bridge]
Oh boy you got me (got me)

I know you want me want me now
I've got what you need
Just give it time and you'll see

[Chorus 4x]
