Do Do Do Do Do Do Do
Mmmm

(Chorus)
Tell me who do you think you see
You're standing in your corner
Looking out on me
You think i'm so predictable
Tell me who do you think i am
Looks can be decieving
better guess again
Tell me what you see
When you look at me

You're probably thinking that i want those things
Cash, cars, diamond rings
Thinking on my side the grass is green
But you dont know where i have been
I could be a wolf in disguise
I could be an angel in your eyes
Never judge a book by its cover

(Hook)
I could be a crook or your lover
I could be the one or the other
If you look beneath you'll discover
You just dont know me

(Chorus)

Do Do Do Do Do Do Do
Mmmm

You look at your neighbour thinkin 'what a guy'
Cos he's got a 9 to 5
And admit that you dont realise
You thought you are You sleep at night
But you're scared of the homeless guy
Think he's gonna wanna start a fight
Never judge a book by it's cover

(Hook)
(Chorus)

Do Do Do Do Do Do Do
Mmmm

Yo tell me
Who do you think i am
huh?
You dont even know me
Well did you think about this

(Hook)
(Chorus) x2
