Way out in Russell Kansas
Goldsmith rides the clan
??? are stalkin' they don't want me talkin'
Here is where I stand

Hey

Hey I'm a lunatic raving
Hey I'm a lonely man
Heaven ain't ending so I'm pretending
??? for me got plans

Hey
Oh Lord yeah

Bemis your mind is crumbling
It's all gettin' out of hand
Bemis your time is something
Keep running from the man

I give myself to the careful
I give myself to their hands
Cornbread mystery here is my history
Miles and miles 'cross land

Running
Oh Lord yeah

Bemis your mind is crumbling
Bemis time is all you have

Bemis ??????????????????
????????????????????

Way out in Russell Kansas
Goldsmith rides the clan
I'm overtalkin state line crossin'
It's all gettin' out of hand

It's all gettin' out of hand

Bemis
Oh Lord yeah
