Mixed up and slowin' down  
Six inches to the ground  
??? itches and know my ???  
Stretching out my face

Back at ease and all alone  
Complex memories I've sown  
????????????????  
Losing all my grace

Desert flower steal my frown  
Cactus mexicali (x2)

Desert flower steal my frown  
Cactus mexicali bound (x2)

Desert sun is so deadly  
Sweet rain comes south to see me  
??? scales of comfort kin  
Shedding all my skin

Cry dawn another year  
??? seasons ??? from here  
Draw sign and be set free  
This is all we need

Cactus mexicali (x2)  
Desert flower steal my frown  
Cactus mexicali bound (x2)

Alright  
Yeah  
Alright

I'm mexicali bound

Wine and women  
Senorita swing yourself my way (x2)

My way
