Hell Yeah
That's my life don't you know
Rock 'N' Roll
Another bottle another show
That's my life
It don't make me proud, but I'll sing it out loud!

1... 2... 3... go!

Wake up call, but I'm still up
I am drinking Jack daniels outta my coffee cup
No time to shower, we leave in half an hour
A splash of ice water wake me up

I can't remember no matter how I try
The name of the place where I've been
Where I'm going, hell I don't know
All I know, tonight I'll do it again

And I play all night
Just trying to make em dance
If it don't happen tonight
This could be my last chance

Dance, dance, dance, dance!

Hell Yeah
That's my life don't you know
Rock 'N' Roll
Another bottle another show
That's my life
If don't make me proud, but I'll sing it out loud!

Hell Yeah!
Hell Yeah!

I can't remember no matter how I try
The name of the place where I've been
Where I'm going, hell I don't know
All I know is, tonight I'll do it again

I go into the place as the sun is going down
Come out as it rises over the town
Tried to stay sober but my voice is ain't right
Order a bottle of jack and the crowd screams damn
right!

And I play all night
Just trying to make em dance
If it don't happen tonight
This could be my last chance

Dance, dance, dance, dance, dance!

Hell Yeah
That's my life don't you know
Rock 'N' Roll
Another bottle another show
That's my life
If don't make me proud, but I'll sing it out loud!

Hell Yeah!

And I'm not saying that it makes me proud
But if you as me I'll say it out loud
That's my Rock 'N' Roll

Hell Yeah
That's my life don't you know
Rock 'N' Roll
Another bottle another show
That's my life
If don't make me proud, but I'll sing it out loud!
(2x)

Hell Yeah!
(3x)

If don't make me proud, but I'll sing it out loud!
Yeah!
(2x)
