I've been around this crazy old world
Drank too much and had too many girls
Gotten all twisted up
Been drug down by the problems I got
Played by the rules of this self-destructive game

And there's one thing I know for sure
If this is some sickness
Then darling you're the cure

It took awhile but now I see
That you're my remedy
Your love is medicine for me
Coz you're my remedy
Don't need a doctor it's plain to see
That you are my remedy
If I'm the sickness then you're the cure
And that I know for sure
Darling you're the only one for me

Landed in the hospital once or twice
And I said a lot of things
That weren't really nice
I've taken for granted
All the things you done
Always just thinking about my own fun
Can't remember how often I made you cry
And lord knows all you did was try

And there's one thing I know for sure
If this is some sickness
Then darling you're the cure

It took awhile but now I see
That you're my remedy
Your love is medicine for me
Coz you're my remedy
Don't need a doctor it's plain to see
That you are my remedy
If I'm the sickness then you're the cure
And that I know for sure

Darling you're the only one for me

You are my remedy
(3x)

If I'm the sickness then you're the cure
And that I know for sure
Darling you're the only one for me
