

Skin Of Tears

"Loser"

The man who failed a million times

Not able to win against his mind

No one would ever see his tears

No one even notice his fears

There's no use for him to cry

Oh Lord, please tell me, tell me why

Must I always be alone

Any my life's just going on

Chorus

I'm a loser - couldn't win at all

The winner takes it all, the loser's standing small

Everything I do just miss the aim

It will always be the same

I'm a loser

There is one wish I'm dreaming of

Just be perfect for a minute that's enough

Only one time I will win

One new reason to begin

But why should this happen to me

I'm forever losing can't you see

You can trust in my bad luck

But I try again never give up
