Rode into town, when the sun went down  
Found a pretty little lady who I wanna lay down with  
Holdin it down with the brand new sound  
And your speakers in the jeep keep pounding  
..Little dove, im pathetic with love  
And I cut you so deep, no anastetic.. you numb  
And when I leave your broken heart,  
Where stuck together with gum  
And..I..know..its..kinda..meann but

(1234)Are we gonna make love or we gonna fight.  
(were musicians)

But il sing you a song..if u like( were musicians)
