She look like sex, drugs, rock & roll
(say ho)When she movin' on the danceflo
Stop, Go, Stop and Go
(say ho) Like a New York Cav yo
Fast, Slow, Fast and Slow
She drives me mad yo
Just like my nano
She's shufflin'
Im lovin' it
I'm thinking about touching it
Kissing her in public
But baby got me fumbling, stumbling and mumbling
And now she got me wondering
If i should get her number then
She just looked up at me and said

Take me in the bathroom
Take my clothes off
Make love to me up against a dirty wall
'Cause I can't wait to get u home
(wait to get you home

She tastes like cigarettes and alcohol
Up all night
Innocent but not at all
She my Brooklyn Barbie Doll
Dancin' like MM
Drinkin' like OO OO
Whatcha think about sex on the first night?
Okay!
I'm thinking about touching it
Kissing her in public
But baby got me fumbling, stumbling and mumbling
And now she got me wondering
If I should get her number then
I just looked at her instead
And I said

Take me in the bathroom
Take my clothes off
Make love to me up against a dirty wall
'Cause I can't wait to get u home

(Wait to get u home)
Take me out the backdoor
Take my clothes off
Make love to me up against somebody's car
'Cause I can't wait to get u home
(wait to get u home)

She was a waitress Wait!
She was an actress
A-cting like a starlet
Infact she was a harlett
Her lips like Scarlett Johanson
They parked to say I'm handsome
I start to say I know that's when she pull out my
handgun
BAM!

Take me in the bathroom
Take my clothes off
Make love to me up against a dirty wall
'Cause I can't wait
'Cause I can't wait to get u home
