Do you believe in ghosts?
Do you believe in fantasy?
Can you take it all the doors?
Step away from the allergy

You're my beautiful most,
Mystery to all but me
'Cause I believe in ghosts,
I believe in fantasy.

I start lady, chillin with my family
As I do with dime and I wake up to resent me

The jeans fit skinny, style fresh like many
I met her and I laid and I hit that in Miami
Kicking games to my sons name
She got the booty, balling aunts since I'm power as
booty
In my team, man hot in my ray dance is this a movie,
Either way when the plane lance, I'm a do me.

Eyes God lady, I'm stuntin like a gloss,
Hearts black out when you see you should know
From the chick I'm the beast to the G's selling dope,
I do it for my cost, I do it for my floss,
Eyes got lady,.. seniorita
Black hearts, black sense I've been on the margarita
I do it for my floss, I do it for my cause
I do it fast, do it 'cause I'm dope.

Do you believe in ghosts?
Do you believe in fantasy?
Can you take it all the doors?
Step away from the allergy
You're my beautiful most,
Mystery to all but me
'Cause I believe in ghosts,
I believe in fantasy.

I believe in fantasy.
