I aint been sleeping I'm living my dream  
Yes I'm... ain't no sustain the time when I get on my  
path  
Living... when he was... she made me last  
Still my heart like... and aint' give a...  
... the music fell in love with the track  
Had the cush on the b this... I high hide  
In the bedroom I'm thinking the hook lines  
... at the jokes and I don't even know the punck lines  
Knew it was finish when I... the anniversary  
The maybe mam you was right you...  
I'm bout to make music in the spare time  
Wishin in a melody telling me

I won't go  
I can't do I on ym own  
If this ain't love, then what is?  
I'm willing to take the risk

I won't go  
I can't do I on ym own  
If this ain't love, then what is?  
I'm willing to take the risk

You do you and I'll do better then expected  
One of the only rapers since pop what a message  
You keep... what I question  
And what you... in the turn  
Would be better then you projected now  
Safe for the day living man  
And it's not 'cause I'm getting paid  
Some days I meditate under the sun ray  
Thanking for a... stuck on the run way  
I love it dough but I also let the...  
Call the shit confession 'cause I always... for you  
For the... feel liek me and you  
These telling me

I won't go  
I can't do I on ym own  
If this ain't love, then what is?  
I'm willing to take the risk

I won't go  
I can't do I on ym own  
If this ain't love, then what is?  
I'm willing to take the risk
