Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Well, I was walkin' through MacArthur Park  
Lookin' for some sugar just to cure my heart  
And after dark I talk to the cabby  
'Cause he drives me home if I call him daddy  
And it's alright

Just as long as I can get high  
Sit back and watch the sunset in the sky  
I don't know if you know what I mean  
But it's love in Los Angeles

Hey, lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Walkin' through Malibu, not a thing to do  
Gotta find a fine young little girl to screw over  
I never meant to block your sunshine  
I never meant to block your sunshine  
I never meant to block your sun

I don't know if you know what I mean  
But it's love in Los Angeles

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Lazy days in Los Angeles  
If it ain't your parents it's the damn police

We just wanna get our kicks for free  
We just wanna get our kicks for free

Now everybody clap your hands  
We're gonna do the dirty dance  
Now everybody stomp your feet  
To the beat, c'mon

We just wanna get our kicks for free  
We just wanna get our kicks for free  
Tryna get 'em for free  
We just wanna get our kicks for free  
Tryna get 'em for free

I don't know if you know what I mean  
But it's love in Los Angeles  
It's love, it's love, it's love

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free

Lazy days in Los Angeles  
If it ain't your parents, it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free
