(I know you gonna hate on this) A was up ya'll no  
Matter what it is you trying to do there's always  
Gonna be somebody trying to hate on you but that  
Don't stop what we do Living it up Why you hating  
I'm living it up I I I'm living it up Why you  
Hating I'm living it up I I I'm living it up Why  
You hating I'm living it up And I didn't pay for  
This drink in my cup (hell yea) Yea yea that's  
What's up I'm the shit so light some matches up  
Came a long way from buck serving lotteys all day  
In my chuck (can I help you) A little green on my  
Break for lunch Thinkin of ways to get out of the  
Rough I'm not paid but I made in enough For haters  
To hate and try to call my bluff Well here it is  
My sophomore slum And don't get mad when your girl  
Turn it up Why you hating I'm living it up I I I

Living it up I I I'm living it up Why you hating  
I'm living it good and you just hating cause you  
Wish you could Oh is my time to shine Every where  
I go is free corona and lime Came a long way from  
Myspace now girls wanna shoot at my place Dam sure  
Put a smile on my face And to all the haters  
Thanks for watching I'm not paid but I made in  
Enough For haters to hate and try to call my bluff  
And don't get mad when your girl turn it up turn  
It up don't get mad when your girl turn it up Why
