They made great buildings  
And had also pyramids,  
They had a form of write  
Highly developed

They had a write of their own  
Priest warrior society  
Had a accurate calendar  
Just good as ours

One day strangers came in the horizon,  
With a beard man they took for their god.  
One day strangers came in the horizon,  
They did not expected was about to happen

Chorus  
Aztec slaughter  
Rivers of blood runned  
Aztec slaughter  
Civilization Colapse  
Aztec slaughter  
Kills in name of gold and silver  
Aztec slaughter  
How a world came to an end

They expected a beard god  
Whom was to save them  
Wich another form was  
A winged snake

Aztec Empire was very huge  
Millions of people living in towns  
Had even brain cirurgies  
A great civilization

Aztec slaughter  
Rivers of blood runned  
Aztec slaughter  
Civilization Colapse  
Aztec slaughter  
Kills in name of gold and silver

Aztec slaughter  
How a world came to an end
