Sometimes things are really bad
When you almost reaching there, you suddenly fell
Your castle of cards is gone
When just left a bit to to finish

You got to believe,
Just in yourself
Don't let no one tell you
What to do
And What you are
Look inside your mind
And find
Find your true will
Just believe in you
And you'll
Know what to do

We
Are born to win
Were born to be free
Don't be tamed
As they wish
We got to rule
Our destiny
We are born
To be free

Death remembers we all that no one
No one is better than other
You can be a peasant or king but your soul
Is equally noble
Every one of us has born
With a huge potencial
Just don't give up, keep trying
And don't forget what you are

We
Are born to win
Were born to be free
Don't be tamed
As they wish

We got to rule
Our destiny
We are born
To be free
