Was born in Cartago
His teacher was a greek
Grew up in a Boot Camp
His origin was Noble
Spoke many languages
His enemy was Roman Empire

He marched across the Alps
Invaded Roman Empire
An Elephant he was ridding
Smashed Romans in Trebia,
In Trasimeno lake, the same,
Killed Senators in Cannas

Hanibal,
He was a greatest warrior,
He was the smartest General
He was simple Invincible
Hanibal.
He was a greatest warrior,
He was the smartest General
But some day he was defeated.

He had no Siege weapons
So he could not broke into Rome
Safe Harbour he could not found
Many Winters than Came,
His troops lost their Shape,
His Allies, left him alone

Their leaders call him out,
Rome he had to left,
To his coutry come back protect
His pupil learn the lesson,
In Zama he was defeated,
At the game he own invented.

Hanibal,
He was a greatest warrior,
He was the smartest General
He was simple Invincible

Hanibal.
He was a greatest warrior,
He was the smartest General
But some day he was defeated.
