I
Am mum
Am dad
Im waiting
I
Am back
Am forth
Im waiting
Blood that runs through my veins
God must be insane
Creating man
Back
Back and Im forth
Always here
Im waiting
Skin
Im skin, flesh and bone
Blood is my home
The seas's where Im from
Blood that runs through my veins
God must be insane
Creating man
Blood that runs through my veins
God must be insane
Creating the mammal man
I
Pick up a stone
And then we roam
Before it gets thrown
Away
And I may not say
If I one day
Might find it again
Blood that runs through my veins
God must be insane
Creating man
Blood that runs through my veins
God must be insane
Creating the mammal man
Water
Im stoned

The fire
Is gone
We dance
You smile
Were wild
Tonight
Blood that runs through my veins
God must be insane
Creating man
Blood that runs through my veins
God must be insane
Creating the mammal man
The plan overran pan
As it began the creation of man
