As Nibiru Approached in the skies
The Annunaki knew
About a Tidal wave

That was about
To swept away earth
Mankind was about to be extinct

The Annunaki gathered
And vowed to let mankind
Face their fate alone

They flew like birds
To the skies in their spaceships
And waited the waters calm down

Noah's Ark
Was a spaceship in the sky
Noah's Ark
Chosen to survive
Noah's Ark
Many were left to die
Noah's Ark
Was a new start

Hungry groups of nephilin
Landed on mountain of salvation
They searched for survivors
For their own good

Animals, man and woman,
Reunited on the mountain
They were taught in all crafts that time

Noah's Ark
Was a spaceship in the sky
Noah's Ark
Chosen to survive
Noah's Ark
Many were left to die
Noah's Ark

Was a new start
