Unsatisfied with  
Their working conditions  
The Anunnaki miners  
Mutined over Enki  
Factions entered at war  
Vimanas fought in the skies  
The sky cities was attacked  
And fell in flames to the earth

A famous warrior gurka  
Piloted the fastest vimana  
Nuclear weapons were deployed  
Mohejo daro and Darapha destroyed  
As peace was set  
Enki designed a entire plan  
He took the homo erectus  
And mixed with alien genes

Rebellion  
They wanted equal rights  
Rebellion  
Wanted a lighter burden  
Rebellion  
Wanted to govern themselves  
Rebellion  
They fought for it

So were born  
A new designed race  
Made in their resemblance  
But had a shorter live  
Their fate was set  
Before their design  
Their fate was  
To work as slaves for them

As the plan developed  
Later was created  
Human Kingship to intermediate  
Man-annunaki business  
And they grew and multiplied

And lived longer  
But in that way  
Mankind made some enemies

Rebellion  
They wanted equal rights  
Rebellion  
Wanted a lighter burden  
Rebellion  
Wanted to govern themselves  
Rebellion  
They fought for it
