There was a man,
Who had powerÂ beyond our darest (ousado) dreams
He the son of david
The might holy king of ancient israel.
He gained respect
Of all his neighbour powers no one dare to attack him
He commanded
A powerfull skilled army the greatest of his time

He was a wise and rightfull judge,
No man could had huge power greater then his,

Solomon the king
The greatest wizard
He conjured all scourge,
Demons, angels, genies and spirits.
Solomon the king
The mighty and wise
No king in the whole world was
Able to be like him.

He had a thousand of wives
God reward to his chosen son.
The world would never be the same
Again, his name would last to eternity

He built the temple without noise
He was the wisest of man
With magick and kabalah
He unveiled the secrets of the great work

He was a wise and rightfull judge,
No man could had huge power greater then his,

Solomon the king
The greatest wizard
He conjured all scourge,
Demons, angels, genies and spirits.
Solomon the king
The mighty and wise
No king in the whole world was

Able to be like him.
