Nineteen forty four  
According to a report  
Manhattan (project) did not have  
Uranium for an A bomb

They had ten (kilos),  
Their aim was unreachable.

October, eight, nineteen forty four  
A german nuclear test was successful  
Berlin became silent for hours  
In decorrence of the unknown EMP

In Oslo there was an huge airfield  
Where giant bombers awaited  
Their aim was to bomb New York  
But the order never came

Stolen Bomb  
Stolen Glory  
Stolen Bomb  
Without sorry  
Stolen Bomb  
Stolen Glory  
Stolen Bomb  
Without sorry

U two hundred four  
Was a german submarine  
Full of stocked uranium  
And infrared fuses  
The sub had surrendered  
To the americans

They finished their bomb  
And got one ready  
At Hiroshima used a german bomb  
At Nagasaki used their own bomb  
Finished with the sub fuses

Stolen Bomb

Stolen Glory  
Stolen Bomb  
Without sorry  
Stolen Bomb  
Stolen Glory  
Stolen Bomb  
Without sorry
