I do it on my own  
I ride it alone  
And I don't need somebody telling me I'm wrong  
I do it my way  
And if u wanna stay  
Accept and take me for me  
Take me for me-e-e-e  
Take me for me-e-e-e  
That's how it's gotta be-e-e-e  
Take me for me-e-e-e oh

This is me being me  
What you get is what you see  
So unique can't defeat  
You can say that I'm a freak  
HA  
You can't take me down  
No way I'm gonna hit the ground  
Sticks and stones may break my bones  
Names will never hurt

Telling me to change I don't listen to a word  
You say I gotta turn the page I think it's absurd  
I wake up in the morning and I'm feeling so free  
I love the way I'm living so there aint no plan B

I do it on my own  
I ride it alone  
And I don't need somebody telling me I'm wrong  
I do it my way  
And if u wanna stay  
Accept and take me for me  
Take me for me-e-e-e  
Take me for me-e-e-e  
That's how it's gotta be-e-e-e  
Take me for me-e-e-e oh

Look at me I'm a star  
Yeah I will go far  
In the VIP fancy cars  
I'll be in the charts

HA  
Heading to the top  
Aint no way that I will drop  
Hatings not gonna make me break  
It's gonna make me famous

Telling me to change I don't listen to a word  
You say I gotta turn the page I think it's absurd  
I wake up in the morning and I'm feeling so free  
I love the way I'm living so there aint no plan B

I do it on my own  
I ride it alone  
And I don't need somebody telling me I'm wrong  
I do it my way  
And if u wanna stay  
Accept and take me for me  
Take me for me-e-e-e  
Take me for me-e-e-e  
That's how it's gotta be-e-e-e  
Take me for me-e-e-e oh

Telling me to change I don't listen to a word  
You say I gotta turn the page I think it's absurd  
I wake up in the morning and I'm feeling so free  
I love the way I'm living so there aint no plan be

I do it on my own  
I ride it alone  
And I don't need somebody telling me I'm wrong  
I do it my way  
And if u wanna stay  
Accept and take me for me  
Take me for me-e-e-e  
Take me for me-e-e-e  
That's how it's gotta be-e-e-e  
Take me for me-e-e-e oh X2
