No time to be all lovey dovey gotta make this moeny

Through the roughest part of any ghetto  
Packin a you know just in case sum grimy fellows

Jiggy'll find 'em in many different muddy ditches  
But is this the lifestyle you wanna live love  
In a game with only two ways to get up at 'em  
Dead or in jail and I aint tryin ta see neitha  
Proceed to smoke the ? hold on tight to your heata  
Make me a believe, that what you're sayin is sane G  
Would you catch a slug for me better yet die for me  
Of course not, so don't act like ya would
