I don't need you
But I can't seem to let you go
And I don't want you
But you make it so hard for me to know

If I should trust you
If I should be your friend
Cuz you're a liar
You just act like a little kid

Chorus:

Oh baby, I may seem to young
But darlin', I'm glad I didn't end up
Being your one
Your immature
You lead me on
Don't care about anyone but yourself
So why don't you run along
To a certain somebody else

You don't deserve
To have a friend like me
You never bother
To ask how I seem to be
So I don't wanna waste my time on you
Anymore
So you can go on and talk about me
I don't care at all

Chorus:

Oh baby, I may seem to young
But darlin', I'm glad I didn't end up
Being your one
Your immature
You lead me on
Don't care about anyone but yourself
So why don't you run along
To a certain somebody else

You may wonder why I wrote you this song
But it doesn't matter
Cuz you shouldn't care
At all, yeahh

Oh baby, ohh baby

I don't need you
But I can't seem to let you go
And I don't want you
But you make it so hard for me to know

Chorus:

Oh baby, I may seem to young
But darlin', I'm glad I didn't end up
Being your one
Your immature
You lead me on
Don't care about anyone but yourself
So why don't you run along
To a certain somebody else

Oh baby, oh baby, yeahh

Ohhhhh, yeahhh

I don't need you
So I've managed to let you go
