All that glitters is not sold  
The true story never told  
Naught but emptiness to hold  
Gives no shelter from the cold

Come on take my hand and follow  
Open virgin eyes to see  
Promise of a dark tomorrow  
Staring down eternity

Taken warmly under wing  
Accept the gift that darkness brings  
Dead of night and sanguine sting  
For all of this and everything

Come on take my hand and follow  
Open virgin eyes to see  
Promise of a dark tomorrow  
Staring down eternity  
Come on take my hand and follow  
Open virgin eyes to see  
Promise of a dark tomorrow  
Staring down eternity

Blood runs cold on stolen souls  
When all has been revealed  
No turning back the fade to black  
Because your fate is sealed

Come on take my hand and follow  
Open virgin eyes to see  
Promise of a dark tomorrow  
Staring down eternity  
Come on take my hand and follow  
Open virgin eyes to see  
Promise of a dark tomorrow  
Staring down eternity

We can't stop the world from turning  
We don't hear a word they say  
We can't stop the sun from burning  
Forever and a day
