Take my hand...
I said
TAKE IT
I'll be gentle
Okay, that's a lie
Don't get sentimental
And cry

Hold your hand and tell you you love me
Sit back and enjoy the show
Bid welcome to your foreign invader
You need me but you just don't know

All I do I do for you
Because I know what's best
Saviour in the guise of your most
Feared unwanted guest

Hold your hand and tell you you love me
Sit back and enjoy the show
Bid welcome to your foreign invader
You need me but you just don't know
