To kill takes discipline
And a steady hand
To walk away unharmed is
Something few can understand

A tiger in the grass
Can catch a dragon's tail
Way of the Sacred Fist
Let honesty prevail

We fight
For more than honor
(We fight)
We fight
Only to win
(We fight)
We fight
For better tomorrows
(We fight)
We fight
For Shaolin

The road to greed is ugly
The road to power dark
The art of war is peaceful
Enlightenment the spark

The world of men is violent
The road to peace is long
Illuminate the darkness
Vigilant and ever strong

We fight
For more than honor
(We fight)
We fight
Only to win
(We fight)
We fight
For better tomorrows
(We fight)

We fight
For Shaolin

Head in amongst the clouds
On mountains ever high
Disciples walk on water
And some have learned to fly

A tiger in the grass
Can catch a dragon's tail
Way of the Sacred Fist
Let honesty prevail

We fight
For more than honor
(We fight)
We fight
Only to win
(We fight)
We fight
For better tomorrows
(We fight)
We fight
For Shaolin
