Everyone's complaining about the world  
But no one seems to want to try to change it  
No one's ever wrong  
But something just ain't right  
And that's just the way it is  
I know it's fucking crowded  
'Cuz I'm here too  
But everybody's running on their own time  
Everyone is greedy  
And the few that give  
Are always last in line

In your eyes  
In this wicked world  
I'm baptized  
In this wicked world

If everyone that ever really gave a damn  
Ever really gave a damn  
The world would be a better place than it is now  
I only speak what's true and how  
Everyone's a liar and that's no lie

It's always someone else's fault it would seem  
Recycled and disposable  
All brainwashed from a dream

In your eyes  
In this wicked world  
I'm baptized  
In this wicked world

I play but the rules but they're all broken  
Make it up and follow on  
Point a finger in the mirror  
And the answer's clearer  
Just another rebel song  
Everybody knows but no one cares  
Until it's knocking on your door  
On judgement day  
All hands will pray  
To the god you never loved before

In your eyes  
In this wicked world  
I'm baptized  
In this wicked world
