~(*)~Verse One~(*)~

I stay rollin' around,
sittin' on dubs (?)
Got (?) my eye was high on shrubs.
Coolin' in my Escalade,
man i'm paid, i got it made.
Take me to your special place,
close your eyes show me your face...
I'm gonna piss on it.

~(*)~Chorus~(*)~

Haters gonna hate,
lovers wanna love,
I don't even want,
none of the above.
I want to piss on you.
Yes i do,
yes i do,
I'll pee on you.

~(*)~Verse Two~(*)~

I said yo body,
yo body,
is a port-a-poty.
And i pee out kit (?),
And i pee on you.
Drip, drip, drip,
Pee on you,
Piss on you.

~(*)~Verse Three~(*)~

You won't feel quite the same,
once you get a whiff of my hershey stains.
I wanna piss on you too,
I wanna pee in yo' food.....
Only thing make my life complete,
is when i turn yo face into a toilet seat.

I want to pee on you,
yes i do, pee on you
I'll piss on you.

~(*)~Chorus~(*)~

Haters gonna hate,
lovers gonna love,
I don't even want,
none of the above.
I want to piss on you.
Yes i do, yes i do,
I pee on you.

Wont you braid my hair,
wont you braid my hair.....
(fades out)
