It's never gonna be
Normal, you and me
What you're signing on for
Is a storm at sea

So if you think you're tough
Give me all your love
And I'll give you every little piece of me

Catch a falling star you'll go far
In the pageant of the bizarre
And tonight I give you my heart

Catch a falling star you'll go far
In the pageant of the bizarre
And tonight I give you my heart

We will never be a nuclear family
But a rainbow will begin at our feet
And if you take my hand
Beware that this boat can
Run aground making the ocean floor weep

Catch a falling star you'll go far
In the pageant of the bizarre
And tonight I give you my heart

Catch a falling star you'll go far
In the pageant of the bizarre
And tonight I give you my heart

Catch a falling star you'll go far
In the pageant of the bizarre
And tonight I give you my heart

Catch a falling star you'll go far
In the pageant of the bizarre
And tonight I give you my heart

Take a chance on me, yeah
You're my remedy, yeah

You may fall indeed, yeah
You'll find peace with me, yeah

Take a chance on me, yeah
You're my remedy, yeah

You may fall indeed, yeah
You'll find peace with me, yeah
Peace with me, yeah

Take a chance on me, yeah
You're my remedy, yeah

You may fall indeed, yeah
