Aaw... aaaw...

(CHORUS:)

Strike a match and set me on fire  
Watch it burn and my flames gettin' higher  
You light me up, sweet 'ole desire  
So won't you come, close to my fire  
Yeah yeah - Yeah yeah  
Yeah yeah - yeah yeah

(VERSE:)

Baby it's cold  
When you're gone  
Don't make me wait  
Wait too long  
Whenever you're near  
I'm high on this fever  
You're making me weak  
Oh I'm a believer  
So

(CHORUS:)

Strike a match and set me on fire  
Watch it burn and my flames gettin' higher  
You light me up, sweet 'ole desire  
So won't you come, close to my fire  
Yeah yeah - Yeah yeah  
Yeah yeah - yeah yeah

(VERSE:)

Boy you are my  
Tempting delusion  
You're meltin' it down  
My resolution  
I can't escape  
Can't say I'm trying  
You say my name  
... oh I can't hide it

So come on sugar  
Don't slow it down

I won't stop craving  
'Til you come around  
You can't deny it  
You're right here at home  
The embers are waitin'  
You know I want you to

CHORUS

Ain't no need to tell me boy  
Ain't no need to tell me boy  
Because I know

CHORUS
