Red suit with the thong underneath
I've got the taste of McCain's old dick in my teeth
I was the governor, but I decided to quit
Alaska's cold as fuck and it's boring as shit
Ga-ga-ga-Gay's always call me a bitch
Cause I say they'll burn in hell and they should never
get hitched
People hate me, especially Perez (oh yeah)
But I will be the president, so I don't fucking give a shit

[X2]You wanna kill me (whoa)
You'll never touch me (whoa)
I'm never leaving (whoa, whoaaa)
Don't trust me (oh)
Never trust me (oh)
Don't trust me cause I'm never leaving

Shh girl, shake your thighs
Do the Barack Obama and tell us some lies
I said, Shh girl, shake your thighs
Do the Barack Obama and tell us some lies

[Spoken]
They think I'm going somewhere?
Only place I'm going is the white house MotherFucker
I'm BACK BITCH!

[X2]You wanna kill me (whoa)
You'll never touch me (whoa)
I'm never leaving (whoa, whoaaa)
Don't trust me (oh)
Never trust me (oh)
Don't trust me cause I'm never leaving

[Spoken]
Oh I'm tired. I'm going to go take a break
See you in 2012 bitch
