"Superluv"

Visit "[Superluv](#)" on MotoLyrics.com

I'm running out of time,
I hope that I can save you somehow,
If I,
If I had super powers,
I'd save the world and you would be mine, mine.

Have no fear,
You're hero is here,
My super sense is telling me that danger is near,
I'm getting close to you so I can watch your back,
A villain's on the loose and he's ready to attack, OH!

But I'm not a super hero,
I'm not that kind of guy,
But I can save you baby give me a try.

Cause I'm running out of time,
I know what I came to do and I didn't come to lose,
So I'll fight until you're mine,
And if trouble comes around, I won't be backing down
tonight!

Ohhh, If your in danger,
Ohhh, I'm here to save yah,
Ohhh, that's what I'm made of,
Oh, Oh, Oh, Oh, Oh,
Give you my superluv.

I've Been fighting for your love, for all this time,
What I gotta do to make you mine,
Ain't got no super speed,
But I'm running this town,
You get in my way imma take you down.

I'm not a super hero,
I'm not that kinda guy,
But I can save you baby give me a try,

Cause I'm running out of time,
I know what I came to do and I didn't come to lose,
So I'll fight until you're mine,

And if trouble comes around, I won't be backing down
tonight!

Ohhh, If your in danger,
Ohhh, I'm here to save yah,
Ohhh, that's what I'm made of,
Oh, Oh, Oh, Oh, Oh,
Give you my superluv.

(Dubstep!)

Can't you see,
(That you're my lover)
We're meant to be,
(You're Like No Other)
So come with me and say you're mine
(Don't Keep Me Waiting).

Cause I'm running out of time,
I know what I came to do and I didn't come to lose,
So I'll fight until you're mine,
And if trouble comes around, I won't be backing down
tonight!

Ohhh, If you're in danger,
Ohhh, I'm here to save yah,
Ohhh, that's what I'm made of,
Oh, Oh, Oh, Oh, Oh,
Give you my superluv,
Give you my superluv,
Give you my superluv,
Give you my superluv,
Give you my superluv

And all you really need,
Has been right in front of you this whole time,
And I,
I didn't need no super powers,
I've saved the world and now you are mine,
Now you're mine!
