Don't ignore my call
Cause I got a lot to say-ay
Gonna tell you what went wrong
Why I had to run away-ay.

Cause you're in my face
Always on my case
I just need some space away from you

I need a vacation -cation -cation (yeah)
I need a vacation -cation -cation
There's nothing you can do
Doesn't matter where I go
Just as long as it's away from you.

No more stupid fights
No more searching through my phone.
Feels like paradise
When I think about being alone.

Cause you're in my face
Always on my case
I just need some space away from you

I need a vacation -cation -cation (yeah)
I need a vacation -cation -cation
There's nothing you can do
Doesn't matter where I go
Just as long as it's away from you

Vacation -cation -cation (yeah)
I need a vacation -cation -cation
There's nothing you can do
Doesn't matter where I go
Just as long as it's away from you.

(Instrumental pause)

I need a vacation -cation -cation (yeah)
I need a vacation -cation -cation
There's nothing you can do

Doesn't matter where I go
Just as long as it's away from you.

Ohh, I just want to let you know that
Ohh, I don't need you any more and
Ohh, now it is my turn to take control.

I need a vacation -cation -cation (yeah)
I need a vacation -cation -cation
There's nothing you can do
Doesn't matter where I go
Just as long as it's away from you.

Vacation -cation -cation (yeah)
I need a vacation -cation -cation
There's nothing you can do
Doesn't matter where I go
Just as long as it's away from you.

Do-oo-oo-oo-oo-oo-oo-oo-oo. Doesn't matter where I go
just as long as it's away from you.
