Look in To my eyes

Look into my eyes And you will see Look deep into my eyes And you will see the real me Oh baby Reach deep into my soul And you will see real love I know Oh baby

I'm for real About the way I feel I don't have no doubts Just want to shout out now I'm for real About the way I feel It's just a matter of time And you will be all mine

na-na-na-na na-na-na-na na-na-na-na na-na-na-na na-na-na-na na-na-na-na na-na-na-na

Look deep into my eyes And you will feel the real me Oh baby Search deep into my heart And you will see the fire burnin' from the start Oh baby

I'm for real About the way I feel I don't have no doubts Just want to shout out now I'm for real About the way I feel It's just a matter of time And you will be all mine
