Thumbelina
You will be my wings
You will be my only love
You will take me far beyond the stars
Jacquimo, this is silly! This is a weed patch!
Jacquimo
This is ze Vale of ze Fairies!

Thumbelina
Take me home, please.

Jacquimo
Let me be your wings
Like zat. Sing like zat.

Thumbelina
You will lift me high above
Everything we're dreaming of will soon be ours
Anything that we desire
Anything at all
Everyday you'll take me higher...
Let's be practical. This isn't the Vale of the Fairies, and
Cornelius is never coming back!

Cornelius
And I'll never let you fall!

Thumbelina
You... it's you! Cornelius!

Chorus
Anything that you desire
Anything at all
Every day I'll take you higher
And I'll never let you fall
And always follow your heart
