Duck Who is the girl no bigger than a bumble bee?  
Goat Who is the angel with a funny name?  
Cow Who we don't know where she's from or how she  
came to be?  
Farm Animals But happy was the day she came

Chickens Thumbelina  
Goat She's a funny little squirt  
Chickens Thumbelina  
Cow Tiny angel in a skirt  
Chickens Thumbelina  
Farm Animals She's mending, then baking, pretending,  
she's making things up  
Chickens Thumbelina

Thumbelina Who would believe the wonder of the world  
I see  
Each little minute brings a new surprise  
There's only one peculiar thing that bothers me  
Seems I'm the only one my size

Farm Animals Thumbelina  
Goat Thank the Lord and save our meals  
Farm Animals Thumbelina  
Turkey Maybe if you had high heels  
Farm Animals Thumbelina  
If you stay here forever we know that we'll never be  
glum  
Cow By gum

Farm Animals Thumbelina  
She's a whisper of the thing  
Thumbelina  
She's as welcome as a spring  
Thumbelina  
First she's mending, then baking, pretending, she's  
making things up

Farm Animals Thumbelina  
She's always in the thick  
Thumbelina

Thumbelina But I get out in the nick  
Farm Animals Thumbelina  
Fortune sometimes has tricked us, but this time it's  
picked us  
Thumbelina Oh a plum's so big, and a fig's so big  
And they call it a twig but a twig's so big  
Farm Animals It's a great big world for Thumbelina,  
Thumbelina, Thumbelina  
Thumbelina That's me!
