Liz: Girls:  
You know how people He had it coming  
have these little habits that He had it coming  
get you down. Like Bernie. He only had himself to  
blame.  
Bernie liked to chew gum.  
No, not chew. Pop. Well, I If you'd have been there  
came home this one day and If you'd have seen it  
I am really irritated, and I betcha you would  
looking for a little sympathy Have done the same!  
and there's Bernie layin' on He had it coming  
the couch, drinkin' a beer and He had it coming  
chewin'. No, not chewin'. He only had himself to blame.  
Popin'. So, I said to him, I If you'd have been there  
said, "Bernie, you pop that If you'd have seen it  
gum one more time..." I betcha you would  
And he did! Have done the same!

Liz:  
So I took the shotgun off the wall  
and fired two warning shots...  
...into his head.

All:  
He had it coming  
He had it coming  
He only had himself to blame.  
If you'd have been there  
If you'd have heard it  
I betcha you would  
Have done the same!

Liz: Girls:  
I met Ezekiel Young from He had it coming  
Salt Lake City about two years ago He had it coming  
and he told me he was single He only had himself  
and we hit it off right away. To blame.  
So, we started living together. If you'd have been there  
He'd go to work, he'd come work, I'd mix If you'd have  
seen it  
Him a drink, we'd have dinner. Well, it was I betcha you  
would  
like heaven in two and a half rooms. Have done the  
same!  
And then I found out, He had it coming  
"Single" he told me? He had it coming  
Single, my ass. Not only was he married. He only had  
himself

...oh, no, he had six wives. To blame.  
One of those Mormons, If you'd have been there  
you know. So that night when If you'd have seen it  
he came home. I mixed him I betcha you would  
his drink as usual. Have done the same!

Annie:  
You know, some guys just can't hold their arsenic!

Liz, Annie, June, Mona: Velma & Hunyak:  
Hah! He had it coming Pop, Six, Squish, Uh-Uh,  
He had it coming Cicero, Lipschitz!  
He took a flower  
In its prime  
And the he used it Pop, Six, Squish, Uh-Uh,  
And he abused it Cicero, Lipschitz!  
It was a murder  
But not a crime!

June: Girls:  
Now, I'm standing in the kitchen Pop, Six,  
carvin' up the chicken for dinner, Squish, Uh-Uh,  
minding my own business, Cicero, Lipschitz!  
and in storms my husband Wilbur, Pop, Six,  
in a jealous rage. Squish, Uh-Uh,  
"You been screwin' the milkman," Cicero, Lipschitz!  
he says. He was crazy Pop, Six,  
and he kept on screamin' Squish, Uh-Uh,  
"You been screwin' the milkman," Cicero, Lipschitz!

June:  
And then he ran into my knife! He ran into my knife TEN  
TIMES!

All:  
If you'd have been there  
If you'd have seen it  
I betcha you would have done the same!

Hunyak:  
Mit kerese, enn itt? Azt mondjok, hogy lakem lefogta a  
ferjemet  
en meg lecsaptam a fejét. De nem igaz, en artatlan  
vagyok. Nem  
tudom mert mondja Uncle Sam hogy en tetten.  
Probaltam a rendorsegen  
megmagyarazni de nem ertettek meg...

June:  
Yeah, but did you do it?  
Hanyak:

UH UH, not guilty!

Velma: Girls:

My sister, Veronica, and I did this double act He had it coming  
and my husband, Charlie, used to travel He had it coming  
round with us. Now for the last number in He only had  
our act, we did these 20 acrobatic tricks in a Himself  
row, one, two, three, four, five... To blame.  
Splits, spread eagles, back flips, flip flops, If you'd  
have been there  
one right after the other. Well, this one night If you'd  
have seen it  
we are in Cicero, the three of us, sittin' up I betcha  
in a hotel room, boozin' and havin' a few You would  
laughs and we ran out of ice, Have done  
so I went out to get some. The same!  
I come back, open the door He had  
And there's Veronica and It coming  
Charlie doing Number Seventeen He had  
-the spread eagle. It coming...

Velma:

Well, I was in such a state of shock, I completely  
blacked out.  
I can't remember a thing. It wasn't until later, when I  
was  
washing the blood off my hands I even knew they were  
dead.

Girls:

They had it coming  
They had it coming  
They had it coming all along.  
I didn't do it  
But if I'd done it  
How could you tell me that I was wrong?

Velma: Girls:

They had it coming  
They had it coming  
They had it coming  
They had it coming  
They had it coming  
They took a flower  
All along  
In its prime  
I didn't do it  
And then they used it  
But if I'd done it

And they abused it  
How could you tell me  
It was a murder  
That I was wrong? But not a crime!

Mona: Girls:

I love Alvin Lipschitz He had it coming  
More than I can possibly say. He had it coming  
He was a real artistic guy... He only had  
Sensitive...a painter. Himself t  
But he was troubled. To blame.  
He was always trying If you'd have been  
to find himself. There  
He'd go out every night If you'd have seen it  
looking for himself I betcha  
and along the way You would  
he found Ruth, Have done  
Gladys, The same!  
Rosemary and Irving.

Mona:

I guess you can say we broke up because of artistic  
differences.  
He saw himself as alive and I saw him dead.

All:

The dirty bum, bum, bum, bum, bum  
The dirty bum, bum, bum, bum, bum

Liz, Annie, Mona: Velma, June, Hunyak:

They had it comin'  
They had it comin'  
They had it comin'  
They had it comin'  
They had it comin'  
All along  
All along  
'Cause if they used us  
'Cause if they used us  
And they abused us  
And they abused us  
How could you tell us  
How could you tell us  
That we were wrong?  
That we were wrong?

Velma, June, Hunyak:

He had it coming  
He had it coming  
He only had

To blame.  
If you'd have been there  
If you'd have seen it  
I betcha  
You would  
Have done
