As a girl I kissed them My heart a telephone Such noise to listen Too many sounds

(So I let go) I think I feel it (I let go) Like wild children (I lay low) Misplaced a million miles from home And so fine, I feel Far and wide Far and wide

Unravel and revel [x2]

And this lust was built in Straight into my bones No need resist it It's a drag

(So I let go) I think I feel it (I let go) Like wild children (I lay low) Misplaced a million miles from home And so fine, I feel Far and wide Far and wide

Unravel and revel Unravel and revel

And so fine I feel Far and wide [x4]
